## MEMORANDUM

October 17, 2024

TO: Taxing Districts

FROM: Ilene Thomson, Yakima County Treasurer

Subject: Tax Year 2025 – Refund Levy – RCW 84.69.180

RCW 84.69.180 allows taxing districts other than the state to levy an annual refund levy to recover the tax dollars lost to the district for the purpose of:

- a. Funding refunds paid within the preceding twelve months, including interest, and
- b. Reimbursing the taxing district for taxes abated or cancelled, offset by any supplemental tax collected within the preceding twelve months.

RCW 84.69.180 also gives a taxing district the authority to recover that portion of their levy which was reduced within the preceding twelve months due to tax record adjustments such as senior exemptions, DOR exemptions, government exemptions and others.

We calculate the information from October 1<sup>st</sup> through September 30<sup>th</sup> of each year. By establishing this earlier date, each district will have the opportunity to discuss this levy with your Board of Directors prior to submitting your levy requests. We will be providing this information to the County Assessor who you would work with, as you do with all levies. In addition, we will continue to submit the calculation to the Board of County Commissioners.

Listed below are the refund levy amounts calculated in accordance with RCW 84.69.180 for the period of 10/01/2023 through 09/30/2024, including interest paid.
