These improvements are intended to add driveway curb cuts, and sidewalk to better route traffic and pedestrians to businesses. This project will also close off Rhoman Avenue, also known as the "Yellowstone Trail", to vehicular traffic from North Avenue. Engineering design work will begin immediately following task order approval, with construction anticipated this year.

**RECOMMENDATION**

Move to authorize the City Manager to execute Task Order 2023-03 with HLA Engineering & Land Surveying to complete the contract documents for the North Avenue Sidewalk Improvement project in the amount of \$41,300.00.
