<b>SUBMITTED BY</b>	Acting Fire Chief Cameron Haubrich
<b>EXHIBITS</b>	Vehicle Purchase Quote Build Quote Vehicle Mock Up
<b>APPROVED BY CITY MANAGER</b>	May 19, 2023

<b>AMOUNT OF EXPENDITURE</b>	\$56,000
<b>AMOUNT BUDGETED</b>	0
<b>BUDGET AMENDMENT</b>	\$21,000

**SUMMARY**

Through the City of Sunnyside Enterprise Fleet agreement, the fire department requests to acquire a new emergency command vehicle to replace the existing 18 year old, 2005 Chevrolet Tahoe, with approximately 150K miles. In order to outfit the vehicle to meet the requirements of its intended function, the City must also build out the vehicle with the appropriate emergency and safety equipment. The total cost for the vehicle is \$56,000, which will be financed through the Enterprise lease program, but requires an initial outlay for 50% of the build out cost. The total expense to be funded in 2023 is approximately \$21,000, which will be split between the General Fund (35%) and the Ambulance Utility (65%).

**RECOMMENDATION**

Move to authorize the purchase of the new command vehicle.
