SUMMARY

Attached is an amended Interlocal Agreement with YAKCORPS. The changes in this amendment are very small but important. The fiscal agency has been changed from the City of Yakima to Yakima County and Public Safety Radio Communications has been added. This step is vital to establishing a regional dispatch center.

The 2024 Budget for YAKCORPS was also established for Sunnyside Police Department and Sunnyside Fire Department. They are included in the attached documents.

RECOMMENDATION

Move to approve an amended YAKCORPS Interlocal Agreement and authorize the City Manager to sign the amended interlocal agreement.
